

ROTARY CLUB of OCONOMOWOC'S *WINE & BREWFEST*

Thank you for making tonight's Wine & Brewfest a resounding success! Your participation has helped turn this event into our club's largest annual fundraiser, and for that, we are deeply grateful.

The proceeds from tonight's festivities will have a profound impact both across the globe and right here in our community. By raising this incredible sum, we'll be supporting crucial efforts like:

Eradicating polio worldwide: Your contribution helps advance the fight against this devastating disease, one vaccine at a time.

Empowering local projects and organizations: From the lively Splashpad to the iconic Independence Day Parade, your generosity strengthens the fabric of our community.

Investing in the future: Student scholarships, Boy Scout Troop 12, The Lake Area Free Clinic, Adopt a School – your involvement fosters opportunity and growth for generations to come.

In essence, you've become a driving force behind positive change, not only on a global scale but also in the very streets we call home. Thank you for raising a glass – and your commitment – to a brighter future!

BREWFEST SPONSORS
